Orville Wright's Condition.

By permission of Mrs. Frank Petree, we quote from a letter received by her, September 30th, from her uncle, Bishop Milton Wright, who is the father of Wilbur and Orville Wright, the noted aeroplanists.

"I came home as soon as I learned of Orville's disaster. Katherine (his sister) reached him about 5 p. m., the 17 h. His thigh bone received a simple fracture toward the knee, two of his ribs were broken, and his forehead was gashed some, the principal gash above the left eye. Our last word of him is a telegram from Katherine to Lorin, the evening of the 20th, which says: 'Good improvement; more comfortable; injuries healing; nerves quiet; everything encouraging; stay indefinite.'

"He is in the post hospital, Ft. Meyer, Virginia, which is about five miles from Washington City. He has every attention that admiration, affection and tenderness can give. He is immensely popular. Space would not allow me to particularize, if mod-sty would. He and Wilbur have stirred America and Europe wonderfully. But

"False the light on Glory's plume 'As fading lines of even'

"One of the screw propellers of his machine struck a stay wire connected with the vertical tail, and this breaking interfered with some other control of the machine. It broke both one arm of the propeller and the wire—the breaking of the last being the worst. Orville kept his presence of mind, and used all the control that remained, having shut off the engine at once. Had not the control been broken, he would have descended, as usual, in safety. I lament most of all Lieutenant Selfridge's death."

Crider-Morgan.

Miss Blanche Morgan, daughter of Mr. and Mrs. F. S. Morgan, was married at high noon, Wednesday, September 30, 1908, at her home in this city, to Mr. J. W. Crider, son of Mrs. Hannah Crider, of Lincoln district. The wedding was a quiet home affair, only the relatives being present. The ceremony was solemnized in the living room, and immediately preceding the entrance of the bride couple, Miss Louise Morgan, of Wathena, Kas., sang "Why Do I Love You". Mrs. H. B. Morgan, also of Wathena, presided at the organ. The couple entered unattended, to the strains of L. Hengrin's wedding march, and were met by Rev. T. J. Eneyart, pastor of the M. E. church, who administered the vows, the impressive Methodist ritual being used. The bride was attired in a neat traveling suit of brown cloth, and the groom wore the conventional black.

These young people have hosts of relatives and friends who will join with us in wishing them a long, happy and prosperous life together. They were the recipients of many beautiful and useful presents. After October 15, Mr. and Mrs. Crider will be at home at their place about 6 miles north of Oregon, in the Lincoln school district.

The out of town guests were, S. G. Morgan, of Forest Grove, Ore.; Mrs. Sarah Heffebough, of Osceola, Neb.; H. B. Morgan, wife and daughter, Louise, of Wathena, Kas.; Mrs. J. W. Hill and daughter, Gladys, of Kansas City.

—G. H. (Hamp) Price and family have taken possession of the Hotel Woodland, having moved in October 1. Mr. Lorenzo Pierce, who has been "wine host" for a year and a half, retires, moving into the Jonas Watson property, vacated by Mrs. Sallie B. Knowles, who will leave in a few weeks for Texas, where she expects to make her future home. Mr. Price, the new landlord is far from being a stranger to the traveling public, having conducted this hotel for a couple of years some eight or ten years ago, and at that time gave eminent satisfaction to the public. We predict that the hotel will be as popular under the present management as the old, and wish him and family success in their present undertaking.

—Miss Edna Hornecker, who has been here for several months with her grand parents, Martin Hornecker and wife, returned to her home in Lander, Wyo., Thursday of this week.
